A special thank you to our church family and friends for all of your prayers, calls, and cards, but MOST ESPECIALLY YOUR PRAYERS. David has been through a lot in the past two months, but he is on the mend. A special thank you also to Pastor Tom, who waited with my grandson and me at DuBois Hospital until after midnight when David's first surgery was performed, and for his trips to UPMC Presbyterian

Hospital to comfort all of us during his second and third surgeries. David endured over 25 hours of surgery in five days, from November 15 until December 8; I slept in my own bed only five nights. Thanks be to God, he is at Christ-the -King Manor in DuBois for rehabilitation. His strength is coming back, and he is doing three hours of physical therapy a day: he is motivated to return home, which we hope will occur on Wednesday, January 9. He will probably be admitted to Presbyterian Hospital sometime after May to have his ileostomy reversed. Thank you all again for your prayers. That is what has brought him through this far. Thank you, Louise Christofor

Your outpouring of love and support during the last two weeks have been my lifeline. Thank you to Pastor Tom for his many visits to Bob and being there each time we needed him. Thank you to my Prayer Chain group who held us up in prayer each time I asked them; your prayers were answered during Bob's last days. Thank you if you were able to attend our Celebration of Bob's Life, those hugs were so needed and appreciated. The music was so beautiful; thank you Mona, Monty and the Prayer Breakfast Men. And last but not least, each day I receive cards and I read each message and realize I am so blessed with friends. Thank you for your many acts of kindness. Carol Wells and family
